February 2018

**FLY EAGLES FLY**

Congratulations Eagles and to all Fans!!! Thank you from all of us at Abacus!  
So much excitement going on this month – we have a flood of birthdays, and love  
in the air with Valentine’s day around the corner!

- ❖ Sydney
- ❖ Kira
- ❖ Benjamin
- ❖ Ethan
- ❖ Evelyn
- ❖ Molly
- ❖ Jackson
- ❖ Nora
- ❖ Daniel
- ❖ Ryder
- ❖ Parker
- ❖ Ms. Megan

Wish you all a Very Happy Birthday!

**Reminder: Registration for 2018-19**

If you haven’t registered yet, **please do so immediately** as we have opened up to the public and have already gotten new registrations!

And our 2018 calendars are finally in, please stop by the office for your copy!

**And a Big Thank you ...**

...to all the parents, who ordered scholastic books and we were able to get Miss Sarah a new circle time rug!

At Abacus, we celebrate “Valentines’ Day” a little differently. No parties or no exchange of valentines but love expressed in the form of kindness and consideration for everyone. Within the classrooms, we talk about how we show love for our families and friends and how we can be thoughtful with our words and actions. And this year, we are making valentines cards for children in an orphanage in India to brighten those children’s lives (thanks Silver family for this opportunity).

We will also use hearts, and red and pink colors through out the classroom in different ways to mark this special day of love, affection, and kindness. Our students will also work on "friendship" fruit salad in the classroom. We also use this as a good segway to talk about the human heart.

And our “sweet treat” in the form of our “Have a Date on Us” promotion...

## Primary Classes Updates

Our new hire Ms. Felicia had a family situation and is unable to join Abacus. Ms. Bickel is continuing on as our Lead Teacher in P2 as we re-open our search for a qualified and dedicated teacher. Consequently, we will be opening P3 at a later time and more updates will be provided in due course.

This month, our children will be learning about groundhogs, the human heart, Rosa Parks, Abraham Lincoln, George Washington, and the Chinese New Year.

## Toddler Class Updates

Our toddlers are going to learn about matching and sorting, using the wash basin, new animals, and more about winter season.

## Cold Weather and Flu Reminder

Hopefully, we are in the home stretch of this bad bug that has affected so many children across the entire country. We are still asking parents to be cautious when evaluating a child's symptoms. Children should go 24 hours symptom free (without medication) if they have a fever, diarrhea, and/or vomiting. If a child is complaining of a sore throat or seems lethargic and listless, this could signal the beginning of anything from a simple cold to the flu. The best way to check is to call or visit your doctor. We are doing our absolute best at cleaning and disinfecting everything we can get our hands on. Thank you for your cooperation in keeping our school healthy.

## Upcoming Events

- PTO Meeting 2/8 6:15pm to 7:15pm
- Parents Night Out on Feb 16!
- Presidents Day 2/19 – Staff In-service
